

Guidelines for Members and Groups 2024

Mercury Bay Art Escape began in 2006 and became a registered Charitable Trust in 2010. It has become a widely recognized and respected brand within art trails and community visual art organisations in New Zealand.

Art Escape operates on a collaborative basis, member's assistance is required and expected. The Trust and Steering Group welcome you time and expertise on activities and events, particularly leading up to Open Studios.

As a member you agree to the following guidelines:

- Be physically present in your studio with your exhibition throughout the Open Studio weekends, both weekends 10am - 4pm daily. Visitors expect to be able to meet the artists as part of their Art Escape experience. It is understood that there can be personal events that happen suddenly and change a member's situation, and in such circumstances, it would be helpful if the artist or friend can represent them during Open Studios. If this happens email admin@mercurybayartescape.com immediately. Members will not be accepted if they know in advance that they will be away during the weekends of Open Studios.
- Respect your obligations and value your relationship with any gallery representing you when you are pricing and selecting your works to display at your studio. It is important that the gallery can also display your works during Open Studio weekends.
- Only display and sell items that you have created yourself or are from original handmade designs that you have produced ie 60% original artworks 40% prints, cards and prints. Imported mass produced goods or crafts are not acceptable.
- It is not acceptable to sell or exhibit work by an artist who is not a paid member of MBAE. If these rules are broken the member will be asked to remove the items from their display or risk immediate cancellation of their membership without a refund.
- The studio space should be in an accessible location suitable for visitors with some parking available.
- If you do not have a suitable studio space that is easily accessible with some parking, please consider a shared studio space with another MBAE member in your area or contact your area rep to be referred to other member artists who may be able to share.
