Mission – to promote and develop the growth of the visual arts in the Mercury Bay area of Coromandel Peninsula.

The Mercury Bay Art Escape is one of New Zealand's leading regional art experiences. Our annual Open Studios in the first two weekends in March is a major draw card on the peninsula and national visual arts calendar.

The organisation is run by a Registered Trust of volunteers with business and corporate experience and artist members. The Steering Group, an operational group to implement activities, is a subsidiary part of the Trust, comprising of voluntary artist members, Trustees and others.
